**ORLANDO ATTORNEY ACHAL A. AGGARWAL  
SUCCEEDS IN REVERSING MEDICAL SCHOOL'S  
TERMINATION OF STUDENT**

Orlando, Fla. - July 22, 2020 -The Health Law Firm announced that one of its health law attorneys, Achal A. Aggarwal, recently obtained a favorable decision in an appeal on behalf of his client, a medical student who had been terminated by his medical school.

Mr. Aggarwal's client was terminated from his medical school for performance issues. After contacting our firm for representation, Mr. Aggarwal prepared and submitted an appeal to the Appeals Committee of the school. Mr. Aggarwal was successful in convincing the Appeals

Committee to reverse the termination and his client was reinstated as a medical student.

Mr. Aggarwal stated: " This would have dealt a death blow to this medical student's chosen career. Every case can't be a winner. But because of the facts of this case and a good presentation, the Appeals Committee was convinced that a mistake had been made in terminating the medical student." He continued: "We hope that medical students and resident physicians who are having problems with their medical education programs will contact us early in the process. The earlier they contact us, the more likely we are to be able to help them."

The Health Law Firm routinely provides legal representation to medical students residents, massage therapists, nurses, physicians, mental health counselors, pharmacists, and other health professionals in a variety of different situations. You can visit our [Areas of Practice](#) page on our website to learn about how we can help if you find yourself in such a situation.
