## **ATTORNEY GEORGE INDEST FEATURED IN FLORIDA OPIOID LAWSUIT ARTICLE**

**Orlando, Fla. - December 6, 2018** - Attorney George F. Indest III, President and Managing Partner of The Health Law Firm, was recently quoted extensively in an article published in the Florida Record. The article reported on Walgreens and CVS being added as parties to an opioid lawsuit for their role in allegedly adding to the crisis.

Mr. Indest is extensively quoted in the article for his years of experience defending doctors and pain management clinics in previous waves of actions tightening down on the distribution of pain medications.

Indest is quoting as having told the Florida Record: "My opinion is if they have to go after anyone, they must go after the manufacturers."

The Health Law Firm and its attorneys have represented physicians, pharmacists, nurses, clinics, dentists, pharmacies, health facilities and other health care providers in different cases involving allegations of over-prescribing narcotics and pain medications.
