Michelle E. Missigman is an attorney who specializes in representing healthcare providers on various professional issues. Her main areas of practice include healthcare compliance, regulatory matters, contracts, license defense, and litigation.

She graduated from the University of

Central Florida in 2015 with a Bachelor of Science degree, and later obtained her J.D. from Suffolk University Law School in Boston in 2019. During her time in law school, Michelle interned at the Centers for Medicare & Medicaid Services, worked at Suffolk University's Health Law Clinic as a student attorney and legal innovation technology fellow, and also served as a Judicial Intern at the Essex Probate and Family Court in Salem, Massachusetts.

She also has experience working in behavioral healthcare, and currently oversees administrative operations at Mindful Behavioral Healthcare, LLC, a community mental health center in Kissimmee, Florida.

Ms. Missigman is a member of The Florida Bar, the Health Law Section of The Florida Bar, and the Administrative Law Section of The Florida Bar. She is also a member of Phi Alpha Delta Law fraternity.
